STRICTLY SPEAKING

I was at my first BDSM private party. There were maybe twenty people there. All eyes were on one scene unfolding between Dom and sub.

Positioned sitting at attention on a massage table, the sub was bound and blindfolded with her legs tied open. She was wearing stockings, heels and a demi-cup, underwire bra. Her pussy and large breasts were fully exposed. Another woman was topping her, swatting her bare body with assorted leather riding crops, raising little welts and variously shaped red marks.

In her fitted, dark suit and white blouse, the Dom looked a bit like a 50 year old school principal or a warden. Later, I would come to understand the term "corporal."

After the lengthy cropping session, the Dom positioned her face inches from the crotch of the young sub. She began quietly breathing warm air onto the sub's tender parts, in the manner that you would fog a window. The sub squirmed and smiled. The Dom continued until the sub was almost at orgasm, anticipating, however hopelessly, that a tongue would come forth and relieve her throbbing pussy.

Being a total newcomer, I was enthralled by the entire scene. I found myself wanting to be the blindfolded sub. Another part of me wanted to be the Dom, possessing absolute control and restraint. It would take more time to sort out my BDSM identity. In any case, I knew that I had found a very interesting and knowledgeable group, some of whom remain good friends to this day.

That night, my mind was open to new challenges and experiences that would transform my otherwise vanilla sex-life forever.

Website:Skyeblueofficial.com

When did you start fetish modeling and under what circumstances?
I started fetish modeling while I was living in NYC, around 20. A fetish wrestler reached out to me to work for them and I quickly loved it! That was the plunge into all types of fetish modeling.

How did you feel the first time you took your clothes off for the camera?
Empowered! I had been modeling for a while but always found clothing restricting. It was so nice to be able to move my body and create art with it while nude!

How did you become aware of fetishism and your fetish-istic side?
I was taken to a fetish party in Brooklyn at 20, it was so interesting and my first time doing wax play and getting flogged. Safe to say I kept going after!

What fetishes do you like personally? What do you fetishize in your life?
For me personally I love something that's a little bit more on the intellectual side. Doing role reversals, role play and good old Dom/sub relations is my favorite!

Do you wear fetish clothes in public? What are your favorite items?
I love incorporating harnesses and latex pieces into my wardrobe!

Have you ever scened in public?
Yes! I've done a couple scenes outside, my favorite being one in a moving car.

Are you dominant, submissive or a switch?
I think more of a switch! It depends on the person but for the most part I'm more submissive with men and more dominant with women.

Have your sexual boundaries changed over time? Are there things you wouldn't do before that you like now?
Yes! There was a time in my life I said I'd never piss on a man. After five years after, I was finally comfortable enough to try it.

Is there anything you would like to try sexually/kinky that you have not done yet?
I haven't done any full body latex scenes, like a gimp suit, I feel like that would be fun!

Do you like rough sex?
On occasion! For every day I prefer sensual and then when I'm feeling in the mood really rough. My favorite is a good old hate fuck!

What about pissing or golden showers? Has anyone pissed on you? Or you on them?
No one has ever pissed on me but I have given quite a few golden showers!

How do you feel about anal sex?
I get more pleasure from vaginal sex! Anal is something I reserve for my most trusted partners.

What are your hard limits?
No anal, no slapping of the face, no spitting on the face.

What is the most requested thing you are asked to do by your fans/followers?
My fans have been begging for a gang bang for the longest time! It's shocking it hasn't happened yet.

Do you get requests for pantyhose and stockings?
Yes, lots of requests for used panties, stockings, used toys and dirty socks.

Do you like foot and leg fetishism and attention to your feet?
I do! I dated a person that had a foot fetish when I was younger and have always like putting my feet in peoples mouths.

What kind of porn do you prefer? What do you search for on the internet?
Honestly, I watch a lot of gay porn! I love seeing two men together, I'm guessing in the same way men love watching two women together.

Are you in a fetish lifestyle partnership?
I am not currently, but would be open to it.

Why did you want to shoot for TABOO Magazine?
I love being my kinkiest self, and love that *TABOO* allows me to be!

What was your favorite part of shooting for TABOO?
Feeling completely safe in the space that we created and with the photographer. Ellen really knows how to bring out the kinkiest in people!
